(7) HOLI DHOOM :

Celebration of festival of colour by foreign students, "It's a miracle how only few colors can bond many people."

(8) Girls are also one step ahead in V.V.P. engineering college

There are total four foreign students in Mechanical Engineering Department namely, Dorji Wangmo, Pema Yangchem both from Bhutan at present in 5th semester , Sheena Lepoche from South Africa at present in 3rd semester, and Marisha harindu charitha amadoru from Sri Lanka, presently in 1st semester.

All of them are regular, punctual and obedient students. Their behavior with other students in hostel and in college is appreciable. Pema Yangchen, had participated and won the 2nd Prize in paper presentation on topic "Lemon Battery". It was an ISTE event organized in our college, September 2013. Her colleague Dorji Wangmo won the 1st Prize in the same event in paper presentation on topic "3D Security Password".

Recently, Pema Yangchen and Sheena Lepoche has actively participated in football tournament and came out as champion of Saurashtra zone.

All of them have actively participated in the event of garba night organized by our college. And they are showing keen interest to participate in any of the co-curricular activities organized in any of the colleges.

Their academic performance is also appreciable, Pema, Dorji and Sheena has cleared all the exams of G.T.U with very good grades without any backlogs. Also they are completing their assignments on time. They are attending the class regularly which in turn helps them to score good grades.
