

GUJARAT TECHNOLOGICAL UNIVERSITY

Centre for Global Business Studies

INAUGURATES

Indo- East Asian Study Centre

&

Trade Facilitation Centre

► *23rd December 2014 (Tuesday)*

11:00AM

Venue: Conference hall, GTU Chandkheda Campus Ahmedabad

Dear Sir/Madam,

At the Centre for Global Business Studies, Gujarat Technological University, the 'INDO-EAST ASIAN STUDY CENTRE' and 'TRADE FACILITATION CENTRE' is to be inaugurated on Tuesday, 23rd December 2014 at its Chandkheda campus.

You are Cordially Invited to grace the inaugural Function

About Indo-East Asian Study Centre:

The Indo-East Asian Study Centre will fulfil the need for an authentic center of study and information about East Asia in India. It would host visiting Professors, Writers, Creative Artists, Media Personalities, Diplomats, Statesmen and delegations from Universities and Industries. It would also help businesses in East Asia to establish mutually beneficial interactions with businesses in Gujarat/ India.

Lastly it would be able to organize public events and lectures bringing scholars, diplomats and politicians from all over East Asia to the campus. This Centre will establish relationships with other similar centres in the world and it hopes to become a magnet for visiting scholars from East Asia and to encourage mobility of faculty, researchers and students. The Center will maintain an active liaison with the officers at the embassies, who work for development of cultural relations between India and East Asian countries.

About Trade Facilitation Centre for East Asia:

The Trade Facilitation Center will help businessmen in East Asian countries and India to develop mutually beneficial interactions. The center will create a platform to encourage business community to actively participate and deliberate in bilateral trade related issues. The Centre will help the business community through a need based research on the bilateral trade with East Asian Countries and India. The center will also publish quarterly whitepapers and research papers, which talk about new areas of business, critical evaluation of policy changes, suggestions for improving policy matters, sector/industry wise predictive analysis etc.
