1.1. Confirm Enrolment

First, task is to confirm enrolment.

For the confirmation college has to do mainly following things:

- Form download.
- Given forms to the students for verification and signature.
- Gun the forms after receiving from the students.
- Download challan after gunning all the students.
- Submit the challan to the bank.
- Upload the challan copy.

1.1.1. Form Download and Gunning

- College can download “individual” student’s form or “all” students forms from “Enrolment List” and “Form Download & Gunning” respective pages.
- College can gun the student’s barcode for particular time period.

1.1.2. Challan Upload

- Once, you gun all the students you have to download the challan and submit to the bank.
- Upload the challan details.

1.2. Add New Enrolment

Second, task is to add students. To add a student following steps followed:

- Add new student
- Upload document for the same category. For example you have added 5 students for MQ then upload one document for all 5 students.
- GTU will approve the student once college has upload the document.
- After approval GTU will generate enrolment number of such students.
- Do confirmation, gunning etc. same like 1.1. point.

1.2.1. Add New Enrolment

- You (college) can add (insert) new enrolment (student) using this.

1.2.2. Upload Document For New Enrolment

- For new enrolment added you have to upload document by status (MQ, NRI etc.).
- GTU will approve a new added student after reviewing his uploaded document.

1.3. View Enrolment

- You can view your enrolled students from here and can perform various searching.

1.4. Reports

- You can download pdf file from here can get enrolment details status (MQ.VQ, D2D, NRI, etc.) And enrolment fee summary.
