

## GTU Empaneled TBI's/Hi's for Minor and Specialization in Technology Entrepreneurship

Date: 06-02-2016

**Subject:** Technology Business Incubator/Host Institute (TBI/Hi) Empaneled with Gujarat Technological University for Minor/Specialization in Technology Entrepreneurship

Gujarat Technological University is planning to award Special citation in Technology Entrepreneurship to Degree Engineering students as an additional credential when a student team/start up does the final year project in University affiliated Incubator and achieve certain milestone. This will be an optional additional learning for the student in addition to his regular Bachelor of Engineering Program. Proposed specialization in Technology Entrepreneurship is a recognition granted to a team that reflects its ability to work together in teams and produce measurable real world outcome. This is also to recognize the entrepreneurial mind-set of the teams and ability to make use of the theoretical knowledge in a practical setting.

For this, GTU Solicits application for Empanelment of Interested Technology Business Incubators to offer Minor/Specialization in Technology Entrepreneurship to Degree Engineering students of Gujarat Technological University. Various TBI's/Hi's applied for the empanelment out of which Academic council approved Four TBI's/Hi's they are:

Sr No.	Technology Business Incubator/Host Institute (TBI's/Hi's)	Date of Approval
