

GTU students to leverage one of its kinds Start-up MOOC under 100 point activity system: “Six ways to graduate: Introduction to Student Start-ups”

The free Massively Open Online Course (MOOC) " **Six ways to graduate: introduction to Student Start-ups**" is being introduced by GTU as part of the GTU Student Start-up Policy to give students an overview of the start-up ecosystem in India along with advantage of doing start-ups in college.

The “**Six ways to graduate**” course is being offered to students of GTU for the first time in India. GTU has empanelled multiple Technology Business Incubator (TBI) /Host Institutes (HI) for benefit of its students. This MOOC by Start-up Village (www.sv.co) is the first of many such courses that other TBI's/HI's will roll out for students so that in future, students have many MOOC's to choose from.

Key Course Highlights

- No prior start-up experience is required to take the course
- Internet connection and computer is only required to learn this program
- Students can study at their own speed of understanding
- Students can finish the course in approximately 16 weeks. Average of 4 hours of study per week is suggested.
- Students have to take this program individually.
- There will be 10 chapters in this program.
- Course will explain how students can graduate using SIX WAYS if they create a start-up in college apart from only conventional way of getting a degree from university
- At the end of each chapter, there will be a Multiple Choice Questionnaire for assessing the learning from each chapter
- Students can take multiple choice questions any number of times till they understand it in detail and are able to successfully attempt the questions.
- The objective of test is not to score but to ensure students have understood the chapters well.
- All students will get digital completion certificates after successful completion of this program students can earn 9 points under MOOC program in 100 point activity system introduced by GTU.
- Students who are then interested in creating start-ups can join any of the GTU empanelled Incubators.
