SUB: Invitation to participate in the World Education Summit 2016 as a Speaker for Round Table Discussions, 5th- 6th August, 2016, Hotel Le Meridian, New Delhi

7th edition of the World Education Summit (WES) 2016, the world's premier platform on education is going to be held between **5th – 6th August 2016** at **Hotel Le Meridian, New Delhi** and Gujarat Technological University(GTU) is a Technical university partner of this event.

The Summit will focus around key thematic areas:

- School Education
- Higher Education
- Vocational Education and Skills Training

Conference: The World Education Summit has two Parallel tracks of School and Higher education stakeholders and attracts more than 500 relevant education professionals from India and across the globe in each division for inspirational talks on education technology and high-level networking opportunities.

The summit will also recognise and encourage leading models, projects and processes of excellence and sustainable innovation in school and higher education, through the WES Awards. The platform will also showcase best practices and technology in teaching and learning through an exhibition.

Interested members can participate at the World Education Summit for the Round Table Discussions.
