### Oracle Academy Programme - Developing IT Skills 2016

Gujarat Technological University is going to organize Two Oracle Academy Programs (five – five days workshops) to develop IT skills on 18<sup>th</sup> July to 22<sup>nd</sup> July, 2016 and 25<sup>th</sup> July to 29<sup>th</sup> July, 2016 with Oracle Academy. Oracle proposes to work with Gujarat Technological University through the Oracle Academy program to support government's ongoing educational reforms and build human capacity in the state.

From this workshop the faculty of the colleges will receive training from Oracle trainers, thus, upgrading their professional skills and knowledge as well. This, in turn, will help create a sustainable model wherein the skilled faculty will be able to take up future training programs for the new faculty in future.

**For this workshop registration of faculties from GTU affiliated Degree Engineering, Diploma Engineering (CE/CSE/IT) and MCA are invited.**

### **❖ The faculty have to follow the below steps to enrol for the training in the order given below:**

**Step 1:** The institution for which the faculty works has to register for an institutional membership on Oracle Academy. One faculty from the institution can apply for institutional membership.

Visit the new website today to create your Institutional membership (<https://login.oracle.com/myso/signon.jsp>).

Please find the step by step process to create a new membership in this link [https://academy.oracle.com/pages/Academy\\_Institution\\_Membership\\_Registration\\_Guide.pdf](https://academy.oracle.com/pages/Academy_Institution_Membership_Registration_Guide.pdf)

once you complete the application for Institutional membership, it may take 2-3 days for the application to be processed. Once the application is processed, the faculty who created the institutional membership can move on to **step 3**. All other faculties who wish to enrol for the training please go to **step 2**.

**Step 2:** Other faculty who want to enrol for the training or want to access other resources of Oracle Academy can enrol for faculty membership once the institutional membership is complete. Please find link for the steps to create faculty membership once institutional membership is done:

[https://academy.oracle.com/pages/Academy\\_AddingFacultyAccount.pdf](https://academy.oracle.com/pages/Academy_AddingFacultyAccount.pdf)

**Step 3:** The last step is the actual enrollment for the training program. Please find attached, the steps to enrol for training once institutional and faculty membership is done. Please note that after the faculty registration, it takes a maximum of 24 hours to get activated, and only then they can enrol for the training.

### **❖ Register for an Oracle Academy Training Event**

Please note that completing all the steps may take more than a week depending on the accuracy of the data entered by the faculty. Also, the registration is on first come first serve basis and there are limited seats. Once the seats are filled or the registration closes, we cannot accommodate any more candidates. Hence, request you to please start the registration process immediately.

#### **Guidelines to register for an Oracle Academy Training Event or Workshop:**

##### **Venue for the Workshop:**

Gujarat Technological University
