### **Q9 Can one student participate and score in multiple events under particular sub category?**

Yes . In events like Tech fest and others a student can participate in multiple activities in particular academic year and successful participation/performance will be considered for scoring points in those events/activities.

### **Q10.What would be the role of internal guide/examiner and external examiner in 100 point activity system?**

Each team will be in constant touch with their internal guide/examiner during the academic program and periodically update his/her activities and furnish supporting documents/reports while appraising him/her about progress. The internal guide will verify the claims and give suitable credit points as per the guidelines given by GTU. Internal guide /examiner will co examine each student during final assessment every year . Internal examiner has to ensure that the activity for which, score/points has been already awarded are not claimed in subsequent evaluation(s).

During the examination by external examiner, he /she has to further verify the claims and learning by each student and take inputs from internal examiner/guide for any query.

### **Q11. Can one activity done by a particular student be considered for awarding score in that particular academic year or it can be done later on too?**
